Dear <<First Name>>,

Thank you for being a part of the [Assisting Hands family](#). We're the new owners and are excited to work with our clients, families, caregivers and office personnel. You can read the press release [here](#). We want to keep our boutique feel and with a [leadership team](#) that has over 50 years in aging services, we're ready to serve.

This is our first monthly e-newsletter featuring important information about caregiver engagement, [Partner in Aging's portal](#) on being safe, healthy, and prepared, and Stroke Awareness Month. Enjoy and let us know how we can help.

Warm regards,

[Liam Dunfey](#)
President

[John Dzida](#)
Vice-President

April Caregiver

Appreciation Event

We all had a wonderful time at our quarterly Caregiver Engagement Event.

Assisting Hands is blessed to have a wonderful Caregiving staff of over 35 caregivers.

Caregiver work often extends beyond physical help to emotional support, making a meaningful difference in the lives of clients and their families. Whether working in homes, hospitals, or care facilities, caregivers are essential to maintaining dignity, comfort, and quality of life for those in need.

We would like to extend a Big Thank You to our Assisting Hands of Carlsbad staff!

May is Stroke

Awareness Month

May is Stroke Awareness Month - a crucial time to learn about stroke prevention and the importance of acting fast. Stroke is the second leading cause of death worldwide and a major cause of disability, yet up to 80% of strokes are preventable. Early intervention can make all the difference in recovery and survival this Stroke Awareness Month. Having in-home care is one way to be ahead of the curve and prepared. [Contact us today!](#)
