

**Assisting Hands®**  
*Home Care*

Quality Home Care You Can Trust®

## *Assisting Hands® — Your Home, Our Care®*

Home — at **Assisting Hands**, our mission is to offer our clients, your loved ones, the very finest personalized in-home care, allowing them to live safely and comfortably in their homes.

But sometimes life's natural events - aging, illness, or disability- can make living independently at home more difficult. At Assisting Hands Home Care® we understand. Our trained, dependable caregivers can help overcome those challenges, and make home an even better place to be!

Assisting Hands® provides assistance with the activities of daily living — whether preparing a meal, assistance with bathing, or safety and fall protection — all in the privacy and comfort of your own home.

We tailor our services to fit your needs — whether it's one morning a week, or around the clock. Services are available 7 days a week, 24 hours a day.

We customize our services to your needs and schedule!

## *our caregivers*

All of our caregivers are Assisting Hands® employees. We do not hire “contract” personnel. We only hire HHAs, CNAs or RNs and they are all CERTIFIED, INSURED and BONDED by us. They also undergo a thorough background check. We require all of our caregivers to have CPR and First Aid training and regardless of prior experience each caregiver attends training that covers all critical services such as: Fall Prevention, Home Safety, Personal Care, Infection Control, Proper patient transfer techniques, Nutrition, Medication Reminders and how to handle emergencies.

We also have caregivers with training and experience in:

- Caring for the Alzheimer's and other Dementia client
- Caring for the Parkinson's client
- Rehab, Recovery, and Post-Surgical Care
- Hospice and End of Life Procedure
- Cancer Patients Care
- People with Disabilities

## our technology

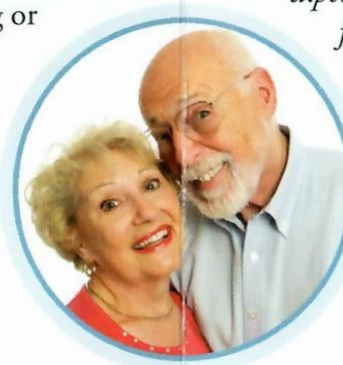

We utilize a sophisticated computer program that assists us to determine which caregivers will most likely be a good match for the client.

We also use a time management system that allows our office to monitor the arrival time and departure time of our caregivers to make sure each client is cared for consistency and effectively when they are in need of care.

## our clients

Although many people we help are seniors living at home, Assisting Hands Home Care® assists people of all ages, in many situations:

- Adults of any age following hospitalization or surgery, when walking, standing or driving may be difficult
- People with disabilities
- Hospice patients
- New mothers, or mothers-to-be on restricted activity
- Assisted Living residents who may need more assistance, whether temporary or long term
- Individuals with medical conditions that cause fatigue, weakness or general need for assistance

## what do our clients say?

*"I wanted to say thank you for sending Charlotte to me. I don't know if I would even be here on earth if it weren't for her. You may call it a good match, I call it a gift from the heavens!"*

Client, Kathleen B.

*"Linda is so much to us; she is a wonderful, experienced and caring caregiver; she is our friend, and she is a member of our family."*

Daughter of client, Betty H.

*"When my wife was released from the hospital, we needed someone right away to help care for her in our home. Assisting Hands® was able to schedule a caregiver starting the next morning, and went out of their way to accommodate our changing needs."*

Client, Ray O.
