Join artist Erica Curcio to make eye-catching suncatchers! The process and materials are simple, but there is endless room for imagination. Learn this technique, and do it again and again! Relax and create with us, as we prepare for the months of the year when we want to catch and keep the rays of sun. No experience needed!

JF&CS Memory Café is brought to you in collaboration with the Waltham Student Group at Brandeis University. We gratefully acknowledge the support of Assisting Hands Home Care.
